6. Talked with J. Don Kerlin on the staff of the Senate Post Office and Civil Service Committee in connection with S. 421, Senator Olin D. Johnston's bill (D., S. C.) to provide certain administrative authorities for the National Security Agency. This bill was introduced by Johnston by request, and Kerlin said it was too early to determine whether it would move in this session. The Committee will not hold its first meeting until Tuesday, 27 February. We shall check on this bill in the future.
